13th **Sandy Bubenzer**
18th **Doug**
21st **Katie Salzman**

Notes from March 12th Board Meeting:

The March 23 District Mid-Year Educational Conference in Whitewater will be attended by Corey Brozyna and Sara Novotny. They will report back with information about Kiwanis in general and about what other WI-UM clubs are doing.

Corey has appointed George, Sara and Doug to this year's **Academic Scholarship Committee**. Our club will again award an academic scholarship and as well as the Life Skills scholarship (selected by the school). Both awards are \$500.

Our **Middle School awards** will be presented at the school event June 7 with a reception for all middle school students. Parents of the award students will be encouraged to attend.

Jerry reported that the estimated totals for the **Chili/Taco Dinner** are \$1241 for our club and \$1166 for the Scouts. A final report will be reported.

The Wisconsin DOT would like us to confirm our longtime commitment with the **Highway Cleanup program**. We need a contact person and organizer. Call Corey if you want to participate in this project. The Heller family has been doing most of this for several years.

Annual Meeting May 2. Many decisions will be made, including election of officers and plans for next year. Plan to attend and to volunteer where needed.

Club Facebook page. Sara has volunteered to set up a Kiwanis page, which will promote our activities to the public. Should be an interesting endeavor.

Funds for Friends. Remember to save your Burreson's receipts for JoAnn Gruber-Hagen.
