### March 12<sup>th</sup> Board Meeting:

**President Corey** asks all members to attend the **Annual Meeting May 2**. "We will discuss/vote on several items including election of next year's directors.....If you are interested in being on the board, please let **George** or **Fred** (the Nominating Committee) know."

Our new **Adopt-A-Highway Coordinator Jessica Deegan** has set up her first Cleanup **May 4 at 12:30pm**, meeting on Serv-us St. Please let Jessica know if you are going to "pickup" so there will enough vests for all workers.

There is still no decision on our participation in the **May 4 Community Garage Sale**. **Corey** is asking everyone who can work and/or has any items to donate to email him this information. He would also like to know what is being donated. If there are enough goods to sell and members to work, the sale is on! Oh yes, when we do take part in the Sale, we always have a bake sale! **Please respond to Corey as soon as possible.**

Our **Middle School awards** will be presented at the school event June 7 with a reception for all middle school students. Parents of the award students will be encouraged to attend. (Cookies needed)

Jerry reported that the totals for the **Chili/Taco Dinner** are \$1241.94 for our club and \$1091.94 for the Scouts. (The Scouts still have donated funds to collect)

**We need programs!** If you have not presented one this year, please sign up. Email Corey with a meeting date and program. If he does not hear from you, he will assign a date for you.
