Notes from October 9th Board Meeting

During our last year (2017-2018) we lost two members: long time member **Tina Garcia**, and most recent new member **Kelly Jo Gabrus**. Tina was a great story teller and was always ready to bake cookies (especially oatmeal raisin) whenever there was a special event! Health problems caused her to resign. **Kelly Jo** brought new enthusiasm to our club, and with her husband Gary was ready when possible to assist with any of our activities. A new job and a move required her resignation. **Thank you both for all your contributions!**

With the New Year, we have two new members, **Pharmacists Tyler and Katie Salzman**, who are the new owners of the Belleville Hometown Pharmacy. **Welcome!**

******Membership Drive, October 18.** Remember that for this meeting we are gathering at the **Sugar River Senior Center**. There will be a pizza salad bar for all

UFO DAY October 27. Because so many events will be in the Old Library Park we will be open all day or until the food is gone. We will have baked goods, hot dogs, chilidogs and beverages. Jill is coordinating the baked goods, so call her if you are contributing. There will be a signup sheet at the October 18 meeting if you are able work a shift or two.

Blood Drive September 25. Our goal was 51 units and 49 were actually collected **Thanks to all who were able to help!**
